SNDT Women's University

SNDT Women's University is the First Women's University in India as well as in South-East Asia. The University was founded by Bharat Ratna Maharshi Dr Dondho Keshav Karve in 1916 for a noble cause of Women's Education. The first five women graduated in 1921 from this university. The university headquarter is located at Churchgate Campus, Mumbai and the other four campuses of this University are at Juhu, Mumbai, Karve Road, Pune, Shrivardhan, Ratnagiri, and Chandrapur.

SNDT Women's University stands 32nd amongst multi-disciplinary universities of India and ranked fourth in Western India according to the Week-Hansa Research ranking of 2020.

Malaviya Mission Teacher Training Centre(MMTTC - MoE)

The NEP-2020 emphasizes the need for skilled faculty in Higher Education, leading to the re-launch of the Malaviya Mission Teacher Training Programme (MMTTP), under the Ministry of Education (MoE) to boost teacher capacity building. This initiative integrates Indian values into teaching, research, and institutional development.

The program aims to enhance professional development for educators nationwide. Honoring Madan Mohan Malaviya's vision, it focuses on equipping teachers with modern pedagogical skills through workshops, seminars, and training sessions. This effort aims to improve teaching quality and student learning outcomes. This demonstrates the Ministry's dedication for enhancing the education sector and empowering educators, emphasizing a commitment to educational excellence.

SNDT Women's University was awarded Teaching Learning Centre in 2018 and is now awarded the Malaviya Mission Teacher Training Centre (MMTTC). This achievement fills us with pride as it empowers us to contribute to shaping higher education as per the vision set forth by NEP-2020.

Premila Vithaldas Polytechnic

Established in 1976, P. V. Polytechnic is one of India's oldest women's polytechnics. Constituent college of SNDT Women's University, it offers technical diploma as well as vocational degree programs and is committed to empowering women through applied education and professional skill-building.

About PM-USHA

The "PM-USHA MERU project" refers to a component within the Pradhan Mantri Uchchatar Shiksha Abhiyan (PM-USHA) scheme, which aims to support the development of Multidisciplinary Education and Research Universities (MERUs) across India by providing funding to upgrade existing state universities and establish them as centers for advanced, multidisciplinary research and education, aligning with the vision of the National Education Policy 2020.

ABOUT FDP

This 6-day Faculty Development Programme aims to:

- Introduce the concept and importance of Intellectual Property Rights (IPR)
- Provide hands-on training in patent drafting and filing
- Enhance understanding of copyright, trademarks, and patents
- Enable development of institutional IP policy and guidance

OBJECTIVES

- To create IPR awareness among faculty members.
- To provide hands-on training in patent drafting and IP search.
- To enable faculty to guide students and researchers in IPR processes.
- To support the creation of institutional IP policy and research culture.

OUTCOMES
